WACT finances 2023 - the headlines

- 2023 was almost a break-even year
- Our accounts show a 'loss' of just over £15,000
- We spent more on canal restoration and maintenance than in 2022
- We purchased freehold land at Gennets Farm
- At the end of 2023 we had less money in the bank than in 2022
- Our valuable members and supporters increased their contributions – especially in response to criminal damage at Loxwood
